
GEMME

Gemme è la collezione decoro pensata per chi vuole un dettaglio che si nota, ma non urla. Pattern e texture diventano un segno progettuale: ritmano le pareti, definiscono nicchie, docce, quinte e fondali con equilibrio e personalità.
È un decoro che funziona perché è versatile: può essere protagonista in una parete singola o lavorare in modo più sottile, come accento continuo. Gemme è la scelta giusta quando vuoi trasformare un ambiente senza appesantirlo: un tocco di carattere, preciso e contemporaneo.

Gemme is a décor collection designed for those who want a detail that stands out without shouting. Patterns and textures become a design feature: shaping walls, niches, showers, backdrops and focal surfaces with balance and personality.
It works because it's versatile: it can lead on a single statement wall or stay more subtle as a refined accent. Gemme is the right choice when you want to transform a space without weighing it down: clean, contemporary character, used with intention.
