
TEIDE

Teide nasce dall'incontro tra pietra e luce: una superficie equilibrata, materica, con sfumature naturali che danno profondità senza appesantire. Le variazioni cromatiche delicate e la grafica essenziale rendono questa linea perfetta per ambienti contemporanei, dove il progetto cerca continuità, calma e pulizia visiva. In interno o in esterno, Teide costruisce spazi luminosi e sofisticati, con un carattere discreto ma riconoscibile.

Teide is where stone meets light: a balanced, tactile surface with natural shading that adds depth without feeling heavy. Soft tonal variations and a clean, essential graphic make this collection ideal for contemporary spaces that demand continuity, calmness, and visual clarity. Indoors or outdoors, Teide shapes bright, refined environments with a discreet yet distinctive identity.
