
VANCOUVER

Vancouver è una superficie calda e contemporanea, pensata per chi ama gli ambienti puliti ma accoglienti. La grafica è equilibrata: movimento leggero, tono naturale e una matericità delicata che non stanca mai. È quel tipo di “neutro” che però ha personalità.
Perfetta per pavimenti e rivestimenti, Vancouver si inserisce con facilità in progetti moderni, nordici o minimal, valorizzando luce e volumi. Si abbina senza sforzo a legni chiari, metalli scuri e arredi morbidi, creando spazi ordinati, luminosi e incredibilmente vivibili.

Vancouver is a warm, contemporary surface designed for those who love clean yet welcoming interiors. Its look is well-balanced: gentle movement, natural tones and a soft, tactile feel that never feels tiring. It’s the kind of neutral that still has character.
Perfect for both floors and walls, Vancouver fits seamlessly into modern, Scandinavian or minimalist projects, enhancing light and space. It pairs effortlessly with light woods, dark metals and soft furnishings, creating interiors that feel tidy, bright and truly liveable.
